Pattern of Full Paper

Full paper must be submitted electronically in word format as “.docx”.

1. Length of research article should not exceed 15 pages of A4 paper size, including pictures, tables, or other references, and must be in single column format.
2. Page margins are set as follows:
 - Top 2.5 centimeters
 - Left 3.17 centimeters
 - Right 2.5 centimeters
 - Bottom 2.5 centimeters
3. Number of article pages should not exceed 15 pages.
4. Components of research paper should be organized in sections as follows:
 - **Title:** Both Thai and English titles are required for the national research presentation. (Taking part in the international conference, the title must be written in English only.)
 - **Author:** If you are a student, state the name of thesis advisors, educational institutions and their contacts. (Author (s), Position (s), Faculty (Faculties) and Institution (s)/ Work place (s))
 - **Abstract:** Both Thai and English abstracts are required for the national research conference. (For international conference, the abstract must be written in English only.)
 - **Keywords:** 3-5 keywords in both Thai and English should be included below the abstracts (Neither phrases nor sentences)
 - **Introduction:** Indicate the rationale and reasons leading to your research studies

- **Objective(s):** Clarify the purpose(s) of the research
- **Literature Review** State the relevant theories and studies
- **Conceptual Framework**
- **Research Methodology:** Describe details of materials and methods used in the study by referring to the sampling techniques, source(s) of the samples & data, data collection, research tools, and statistics employed for data analysis.

- **Results of the research paper:** State the findings in a logical sequence

- **Conclusion and Discussion**

- **Suggestions**

- **References**

1) In-text citations should include the author's name (or last name for English version) and publication year. If a direct quote is used, a page number is needed.

2) Apply the American Psychological Association style (APA) for referencing at the end of your paper. The references should be listed in the alphabetical order including only the sources mentioned in the in-text citations.

3) Every component of the papers submitted for joining the international conference must be entirely written in English.

5. The fields which are eligible to take part in the forum include the following:

1. Education
2. Educational Administration
3. Curriculum and Instruction
4. Educational Technology
5. Special Education
6. Teaching/ learning management or other similar fields
